The PD Calendar lists upcoming workshops and conferences that are teacher related as a service to members. The BCTF does not necessarily endorse the conferences, nor does it accept liability for errors or omissions in any of the information provided. An individual planning to attend a conference should contact the sponsoring organization to confirm the dates and other details of registration.

The dates of future province-wide provincial specialist association days are also listed on the calendar.

Any additions or changes to the calendar should be e-mailed to *pdcalendar@bctf.ca*.

The entire PD Calendar is available online, and a portion is also published in *Teacher*. *bctf.ca/uploadedFiles/Professional\_Development/PDCalendar.cfm*
