Local Social Justice Grants Information Package and Application Form

Purpose

Local social justice grants are meant to provide seed money for activities or projects that will bring about systemic change for social justice within a local or sub-local. The grants are intended for activities and/or projects with a local or sub-local scope or involve multiple schools and that have an ongoing impact beyond an individual classroom or school. They are not meant to replace the funding of school activities that should be paid for by the school district. The funds are administered by the Professional and Social Issues Division (PSID) and are not allocated by grant proposals to a maximum of \$2000 each (see grant formula).

Projects and initiatives could be on topics such as gender equity, multiculturalism, antiracism, homophobia/heterosexism, 2SLGBTQIA+ issues, antipoverty, Aboriginal issues, environmental issues, violence prevention, child and youth issues, disability justice, human rights, and peace and global issues.

Criteria for Projects

1. Projects must:
 - a. reflect BC Teachers' Federation (BCTF) social justice principles as seen through the [Social Justice Lens](#).
 - b. have ongoing impact on teachers, or teachers and students in your local/sublocal.
 - c. involve several teachers and schools within a local/sublocal.
 - d. include a written summary of the project and its impact within the local.
2. Funding is for projects that take place within the current school year.
3. Projects may involve the local community.
4. Funds may **not** be used for travel, school supplies, hardware, or materials that are the responsibility of the school district.

Process

1. Locals/sublocals submit an outline of proposed activities with estimated costs to the BCTF with a completed BCTF Local Social Justice grant application form (no further attachments required) to the BCTF for approval of the grant before undertaking a project/activity.
2. The Federation will provide up to \$2,000 matching the local on a 1:4 ratio (e.g., \$500 local=\$2,000 BCTF; \$250 local=\$1,000 BCTF). The maximum for any BCTF social justice grant is \$2,000.
3. Locals/sublocals are eligible for one grant each school year to be submitted between July 1, 2025, and October 16, 2025. Funds not committed by Thursday, April 12, 2026, will be pooled and made available to locals on a first-come, first-served basis, providing their applications meet all criteria.
4. The grant recipient must submit a follow-up/evaluation report no later than 30 days after project completion.
5. The local must keep copies of all receipts on file. T4 forms must be issued for honoraria over \$500.
6. For more details, please refer to the local social justice grant rubric at the end of the application form.

Grant formula

The Federation will provide up to \$2,000 matching the local on a 1:4 ratio

For example:

\$500 local—\$2,000 BCTF

\$250 local—\$1,000 BCTF

The maximum for any BCTF social justice grant is \$2,000.

Follow-up/evaluation report

The follow-up/evaluation report is required within 30 days after project completion. It should include:

- a summary of how the money was spent
- a description of how the project unfolded
- a description of the impact of the project on the local.

Photos of the project are most welcome. This report should be short (under one page) and highlight the success of your project.

Send a copy of the completed report to Heather Kelley (information below).

Following completion of the project, please write a short article to be published in the Social Justice Newsletter. Photographs are always welcome.

Please note that for photographs of students to be published, the school should have written parental permission.

Please remember to keep all receipts on file at the local office.
