Provincial Specialist Associations

Overview

The BCTF encourages and supports over 30 Provincial Specialist Associations (PSAs). As an integral part of the Federation, the PSAs operate in accordance with BCTF policies and procedures and their own constitutions.

All BCTF members are encouraged to become members of one or more PSAs to share expertise and to gain information and experience.

Each year, the BCTF provides a complimentary PSA membership to each new member at the induction ceremony in the member's local.

Each PSA is unique—its strength determined by its members and its executive. PSAs promote communication among members through journals, newsletters, conferences, workshops, websites, email lists, and other activities.

Individual PSAs are represented on the PSA Council through their presidents. The PSA Council provides advice to the BCTF Executive Committee on matters of concern to PSAs and on working and learning conditions, curriculum, professional development, and educational leadership.
